

Release Policy

If someone other than yourself will be transporting your child home, please notify us in the morning when the child arrives or shortly thereafter. For safety of your child, we would appreciate it if you would write the name of the other persons who are allowed to transport in your absence. The list will be placed in the child's file. Your pick-up person's picture identification will be checked against the information you have provided for your child's release. Your designated person must be 18 years of age with the proper identification.
